

Friday 20th March 2020

Dear Parents/Carers,

We are pleased to be able to provide your child with their homework pack in their own zipped wallet.

There are lots of important educational activities included and we ask that you look after the packs and find a suitable time each day to support your child to continue their education.

I attach a table of the suggested time to spend on educational activities each day and what a day might look like. This is purely to be helpful, but of course it is up to you how you organise this very new, and hopefully short term period of national effort.

There are also lots of on-line activities available for your child. Please visit the website and use the tab;

- Helping at Home
- Home learning 2020

We hope you find this helpful but also that you use this window of time to have fun and relax with your children if you are at home.

Packs will be sent home with all children in school today. If your child/ren are identified for provision during the school closure they **MUST** return with their full pack on Thursday 26th March.

Packs for children currently absent from school may be collected by arrangement on Thursday 26th March (please ring school to arrange), be sent home with a friend (please email school accordingly TODAY) or will be delivered by hand or post.

If staff hand deliver packs they will pass them to you but will be directed to **LEAVE IMMEDIATELY** and not engage in any conversation.

I hope you understand this direction and find the packs and websites helpful.

We send our very best wishes to you all and your children and hope you manage to stay safe and well.

Please regularly check the school website for updates.

Yours sincerely,

Mrs. C Hurst BA (Hons) PGCE NPQH NLE
Headteacher
