

The Magic Door by Daisy Sansom

I opened the magic door and saw...

Crystal-clear waters,

Dancing silently

Like an elegant ballerina.

I opened the magic door and saw...

A dusty savannah

Welcoming fearless animals

Like long lost friends.

I opened the magic door and saw...

Nottingham Forest football ground

Waiting patiently for fans to return.

I opened the magic door and saw...

A mesmerising sweetshop,

Tantalising me with its scrumptious sweets,

Reeling me in like a fish.

I opened the magic door and saw...

The future.
