Dear Parents and Carers,

Reminders for Reopening on Monday 8th March

Firstly, a huge thank you and congratulations on your incredible efforts during this lockdown to support your children to complete so much of their remote learning and complete it so well. The government are forecasting lots of gaps in learning but looking at Class DOJO I know there will also be many, many gains. Well done to you all!

I have told the children in my virtual assembly today that they are all awesome, amazing and absolutely incredible. They have blown our socks off over lockdown and should be super proud of themselves!
