07 May 2021

Dear Parents/Carers,

At Glapton Academy, we are proud to promote the use of technology safely.

We have collaborated with Google to help our pupils be even safer on the internet. On Friday 7th May 2021, our school are sending home a small cylindrical package for each Key Stage 2 child. Inside this package is their new model Google Internet Legend!

To assemble the model Legend, scan the QR code printed on the box or visit the website https://beinternetlegends.withgoogle.com/en_uk . To make the most of the internet, children need to make smart decisions. 'Be Internet Legends' empowers younger children to use the web safely and wisely, so they can be confident explorers of the online world. Therefore, the children must answer a series of internet safety questions to view each step of the building process. Once the Legend is built, it can be placed next to your devices to remind the children to be safe and sensible on the internet.

I really hope that you enjoy building the model Legend. Pictures of your Internet Legend are welcome when submitted via Class Dojo.

Let's be safe online together!

Yours sincerely,

Mr Phillips

Year 4 Teacher
Computing Leader
