White Rose Maths and Morrisons' Summer Resources

Dear Parents and Carers,

This summer, White Rose Maths are teaming up with Morrisons, to give primary pupils a series of exciting and FREE workbooks to use at home. These colourful and engaging workbooks are perfect for revisiting and practising work that children have covered earlier in the year, or to prepare them for the new school year ahead.

Parents and carers can collect these special workbooks from 26th July onwards at any of Morrisons' network of stores nationwide. All you will need to do is call in at the 'Children's Little Library' in your local Morrisons store during your regular shop, and collect your free copy!

Families are welcome to take one free copy per pupil from Y1 to Y6. The workbooks contain a link to the answers, too!

Thank you for your support,

Mrs Randall

Year 6 Teacher and Maths Coordinator
