Autumn Term 2

Topic

In Year 6 this half term, we are going to be learning all about World War 2! We will be delving into the history books and learning how, when and why WW2 began; finding out about the key individuals and countries involved; investigating events that were key turning points in the war, such as the Battle of Britain and the German invasion of Russia; and learning about key figures within this time frame. Alongside this, we will be learning about the cause and impact of evacuation, rationing, propaganda and the contribution made by women to help the war effort. Furthermore, through their studies, pupils will develop their investigation and evaluation skills; learn to organise information chronologically and understand how past events have helped to shape the world we know today.

Book recommendation

Goodnight Mister Tom

Winner of the Guardian Children's Fiction Award

Willie Beech is evacuated to a tiny English village in the country just before the outbreak of World War II. A lonely and deprived child, he finds himself living with the reclusive, gruff old widower, Thomas Oakley. Although the two find it hard to adjust to their life together at first, they gradually develop a strong bond. Willie begins to enjoy life and make new friends in the village. However, everything is thrown into confusion when Willie is suddenly recalled to London by his neglectful and abusive mother. After several weeks with no letter from Willie, Tom Oakley becomes concerned for his welfare and sets out to London in search of him.

Homework

All children will be given homework every Friday. This must be completed by the following Wednesday. Homework given will always be a reconsolidation of learning that has taken place in school. In addition to this, a homework menu will be provided each half term. These tasks will cover a range of skills. Children can choose as many additional tasks as they like to fit in with their busy schedules at home.

English

This half term we will be studying the text *Rose Blanche*, written and illustrated by Roberto Innocenti. Within this unit, we will be working on a range of fiction and non-fiction genres. We will be studying a variety of text types, including setting descriptions, recounts and persuasive adverts, in order to support us when creating our own compositions. We will be working to improve our GPS skills through the use of our writing LEAPs and our daily GPS workouts. We will begin this half term looking at prepositions and prepositional phrases as well as figurative language for effect. In reading, we will be working on our inference skills in order to understand a text at a deeper level. Also, we will be looking at author decision making and explaining the reasons why an author has chosen particular words and phrases.

Maths

In our maths lessons this term, we will be continuing to practise written methods of addition, subtraction, multiplication and division. This will include: working with numbers with up to two decimal places, learning how to interpret a remainder as a decimal and fraction and using the order of operations to solve problems. Following this, we will be investigating common factors, common multiples, prime, square and cube numbers.

We will also begin our fractions unit this half term! We will recap equivalent fractions before learning how to simplify fractions, convert between improper and mixed number fractions and compare and order fractions with different numerators and denominators.

We will also continue with our big push on times-tables, as these form an important basis for many areas of the maths curriculum. Please encourage your child to access TT Rock Stars as often as possible to support them with this.

Maths Vocabulary

Regroup
Exchange
Remainder
Decimal
Fraction
Numerator
Denominator
Equivalent
Simplify
Express
Mixed number
Improper
Highest common factor
Lowest common denominator

Partnership Books

This term we will be continuing with our reading reward system which was launched earlier this year. Each class will become '**Reading Rocketeers**' aiming to get to 'space' (200 reads) by the end of the academic year. Children are encouraged to read at home every day and to make a note in their partnership book every time they read outside of school. After every 20 reads, they will get one step closer to space and will be rewarded with a token which they can 'spend' on prizes and, of course, books!

Spellings

All children will be given spelling words to learn each **Friday**.

These should be practised at home as often as possible and different words with the same spelling pattern will be tested in school the following **Thursday**.

PE

Our PE days will be **Monday and Friday** however your child's PE kit must be in school every day as this can change. Please ensure your child has the correct PE kit clearly labelled with their name. Earrings must be removed for these days.

PE kit consists of:

Plain white t-shirt
Black shorts or joggers
Trainers (outside)
Plimsolls (inside)

Dates for your diary

10.11.21: Whole School Drop-in Session 9.00 - 10.00
12.11.21: Children in Need
15.11.21: Anti-bullying Week
07.12.21: Christmas Concert
10.12.21: Year 6 Trip
15.12.21: Christmas Lunch and Jumper Day
16.12.21: Christmas Parties
