

Investigate gravity, which objects fall at a quicker rate, heavier or lighter items?

(Make sure you objects aren't breakable before you complete your experiment! Ask your grown-ups first!)

Can you find things that move around in your house?
What makes them move?

Design your own homework task or activity linked to our topic -
Rampaging Romans.

I must try to...

- Read every day and sign my partnership book.
- Practise spellings and times tables.
- Try and complete one of the optional tasks each week.

Draw and label a picture of your community. Identify who is part of your community and why you feel a sense of belonging to this community.

Year 3 Homework

Practice your multiplication using twigs and leaves outside.

Write a diary entry in the voice of a soldier from the Roman army who is on their way to Britain to invade.

Read a newspaper and outline the information you have discovered.

Pretend to be a computer programmer and write a list of instructions for your computer game character to follow.

Can you introduce yourself to someone in French?

Can you tell them how to spell your name?

Draw a picture of what your Christmas holidays will look like.

Make a shield for Roman day.
