

If 10 children are waiting to cross the road and the lollipop person takes across 4, how many are left to cross? You could draw a picture or use your fingers to help you find out the correct answer.

Create your own emergency vehicle. Think about its features, sirens, hosepipes and ladders, bright colours. You could make one out of old boxes, bottle top lids, and cardboard tubes.

Can you make a fire painting? Can you paint red flames? Can you paint yellow flames? Can you make orange by mixing yellow and red and paint the orange flames on too?

### I must try to...

- Read every day and sign your partnership book.
- Practise animal words.
- Try and complete one of these extra optional tasks each week.

Can you learn your address and practise what you would say if we were ever in an emergency and had to call 999

## Reception Homework

Can you complete an experiment? Freeze a toy inside a pot or box. When you take it out, watch what happens. Can you think of a way to speed this up?

Draw a picture of someone who has helped you in the last few weeks. Write a simple sentence to say how they helped you.

Create a thank you card for someone who has helped you. You could draw, paint or collage. Remember to use your best writing to say 'thank you' in your card and write your name.

Can you make a healthy snack at home? Then you could write a list of the ingredients you used.

Fill up a bowl with water (or do this at bath time). Can you find three things that float in the water and three things that sink?

Go on a winter walk, what signs of winter can you see and feel. What clothes did you have to wear to help keep you warm?

Can you complete a weather chart, draw a picture of what the weather is like each day for a week. See if the week changed or if it stayed the same.
