

Design an environmentally-friendly city. Think carefully about the features and include things that will help people to fight climate change.

Look at your surroundings. There are human and physical features all around us. Can you list some of each?

Design your own homework task or activity linked to our topic - European Rivers.

### I must try to...

- Read every day and sign my partnership book.
- Practise spellings and times tables.
- Try and complete one of the optional tasks each week.

Think about the different ways in which we can keep ourselves safe. Make a poster for Key Stage 1 children, telling them how to keep safe.

## Year 3 Homework

Write a poem or setting description about a lake or river that you have visited before, or one that you would like to visit.

Make a poster about climate change and explain what people can do to look after their environment and why it is important.

Find an example of a fiction and non-fiction text.

Which do you prefer and why?

Have a think about if you have ever experienced anything that could have been a miracle. What was it and why was it a miracle?

Can you draw pictures of your favourite animals and label them in French?

Use a torch to see what happens when light is reflected off different surfaces.

Do a sketch of a lake or river in your local area.
