

Solve the emoji maths problem:

$$\begin{array}{r} \text{🍓} + \text{🍓} + \text{🍓} = 10 \\ \text{🍇} \times \text{🍓} + \text{🍓} = 12 \\ \text{🍇} + \text{🍇} - \text{🍊} = 2 \\ \text{🍓} \times \text{🍇} + \text{🍊} = ? \end{array}$$

Think about your own mental health. What strategies do you have to help manage your thoughts and feelings?

Set your own homework task linked to our Science unit - Electricity.

I must try to...

- Read every day and have my partnership book signed.
- Practise my spellings
- Play on TT Rock Stars regularly!

Make a list of the rooms in your house and monitor how often the lights are used. How can you save electricity in these rooms?

## Year 6 Homework

Electricity Quiz

Test your knowledge!

Who was Lewis Latimer and what impact did he have on the world of Science?

If you could interview any author, who would you choose and what five questions would you ask them?

Create and plan a PE warm up for us to use in PE next week. Remember to think about the main muscles being used in Basketball.

Write a setting description based on the picture below:

Watch this clip to discover how we can make structures

Our British Value this half term is Tolerance, what does this mean to you?
