

Design your own sandcastle and research how sand is formed.

Draw a Scientific poster explaining the different types of human teeth and what they are used for.

Research some symbols on a map and create a key.

### I must try to...

- Read every day and sign your partnership book.
- Practise spellings and times tables.
- Try and complete one of the optional tasks each week.

## Year 4 Homework

Create a guide to keeping safe. Don't forget staying safe also means making safe choices online.

Write a diary entry describing a family trip to the coast/ seaside.

Find a picture of a coast and label the key features.

Research the process of erosion. Draw a picture showing this.

Stand in the middle of a room in your house, mark an item in the room using the eight points of a compass.

Use the internet to find out about the different types of rocks and how erosion affects them.
