 <p><b>Mrs Oliver</b></p> <p><b>Qualifications:</b> BA (Hons)Geography with Qualified teaching status</p>	<p><b>Roles:</b> SENDco Assistant Headteacher Attendance Champion <b>Lead DSL</b></p>
SEND- Vision	SEND- Aims
<p>At Glapton Academy, we aim to deliver a high-quality provision of education to all children no matter what their starting points or any barriers that they may have placed in front of them. We have the highest aspirations for our children with SEND to reach their full potential and we will ensure that they are given the right to receive a full and balanced curriculum so that they may become successful members of society, with a deep love of learning. Working in partnership with parents will ensure that children will succeed.</p>	<p>In line with the SEND code of practice in January 2015. We ensure that all children with SEND receive an education that is appropriate to their needs with a high level of expectation of standards and for the children to fulfil their potential and achieve their best.</p>
