

## Paint Me A Picture

Paint me a picture  
Anything will do  
One to escape in  
Just for a few

Paint me a picture  
One just for me  
Where I can get lost  
And roam around free

Paint me a picture  
You know the kind  
That draws me in  
And stays in my mind

Paint me a picture  
I know that you can  
Take me to new places  
To far away lands

Paint me a picture  
Let my journey start  
In the picture you painted  
That came from your heart
