

Maths

In maths this half term, the children, through our continuous provision activities, will continue to practise their counting and one to one correspondence skills, as well as practising matching the correct numeral to the correct quantity.

To link to our topic, the children will be 'counting out' native American Indian figures into tee-pees, as well as buffalos onto prairies and cowboys onto horses.

The children will also be doing more work on their skills of subitising up to three objects.

Subitising is **when you are able to look at a group of objects and realise how many there are without counting them.**

Maths Vocabulary

- count
- one
- two
- three
- four
- five
- point
- touch
- match
- numeral
- quantity
- amount
- subitise

Reading Records .

A big thank you to those parents who have been returning reading records each Friday. It has been lovely reading all about what the children have been up to and hearing about their favourite rhymes and stories. We hope you enjoy listening to your child reciting their weekly rhymes to you! A reminder that reading records should be returned to Saplings class each Friday. Please read each week's rhyme daily with your child, encouraging them to hear and say any rhyming words, as well as listening for initial sounds in words. Please also use the reading record booklets to let us know about any other books that your child has read, or any activities that they have taken part in and enjoyed so that we can encourage them to interact and share their experiences with everyone in Saplings Class. Thank you.

School Uniform

School Uniform Accessories
May we please remind you that hair accessories, socks and tights should be black, grey, white or red only. Also nail varnish is not permitted along with jewellery (other than plain or stud earrings). Watches are only allowed when your child can tell the time. Thank you for your continued support.

Dates for your diary

- The Book Bus Visit- 1st March
- Attendance Week- WB 4th March
- Reading Challenge Day/ World Book Day- 7th March
- STEM Week- WB 11th March
- Red Nose Day- 15th March
- INSET Day- 28th March
- Easter Break- 29th March- 12th April
