

Look in your garden or in the local park. How many different types of plants can you find? Look carefully at them. Can you have a go at sketching them?

Draw a map of your route from home to school. Can you add symbols for landmarks that you pass on the way?

Go for a walk around your local area. Draw or write the human and physical features that you find.

I must try to...

- Read every day and have my partnership book signed.
- Practise my spellings.
- Complete one of the optional tasks each week.

Find three containers in your house. Which one holds the most water? Can you arrange them in order from holds the most to holds the least amount of water?

Year 1 & 2 Homework

Make paper plate fractions. Can you cut or colour the paper plate into halves, quarters and thirds?

Write instructions for how to make your favourite sandwich. Remember to use time connectives.

Write some adjectives to describe the weather today.

Choose three objects at home. Can you put them in order from the lightest to the heaviest?

Find four objects at home. Split them in half. How many are there in one half? Split them into quarters. How many are there in one quarter? Try again with eight objects.

Write some riddles for someone at home to solve. E.g. I am black and white and live on a farm. I like to eat grass and make milk for you to drink. What am I?

Look at your local area on Google Maps. Can you find any landmarks that you recognise? Can you identify human and physical features?
